

ERA Replica External Siren ERS26B

Description

This ERA Replica External Siren is ideal for giving extra peace of mind when it comes to home security. The battery powered flashing LED light and brand marking deters would-be intruders, which makes it ideal for installing in secondary locations, such as the rear of a house or outbuildings. It is easy to install and comes supplied with fixings and batteries, as well as a 2 year guarantee.

2 Year Guarantee

Neighborhood Watch Approval

Features

- LED flashing light to deter would-be intruders
- Powered by batteries to offer the same visual deterrent as that of a 'Live' Siren
- Compatible with all ERA Wireless Alarm Systems
- Easy to Install
- Tamper Protection
- Matches a fully operational ERA Solar Charged Siren
