

Description

Easyprox compact keypad is an all-in-one battery powered lock and access control system that is ideal for internal doors. Installing the system is easy because it's not wired into a mains power source. This keypad may also be used with proximity tokens to allow token plus code or PIN.

Features

- Battery powered keypad
- Amazingly easy to install
- Anti-shim plunger to prevent forced entry
- Up to 50 codes
- 4 to 8 digit codes
- Card plus PIN or code
