

## Description

---

The Videx 512 extension sounder is used to extend the sound of the call received on the handset.

## Features

---

- Wall mountable plastic enclosure
- Dimensions: 110mm (L) x 70mm (W) x 30mm (D)
- 512R requires 12V ac input and is suitable for telephones with ac buzzers
- 512E generates its own tone and requires a 12V ac or dc signal
